

Power Bank Model D04

Compatibility USB powered digital devices such as Android phones, iPhone, iPod, iPad, Bluetooth earphone, digital camera, and GPS navigator etc.

Capacity 13000 mAh

Battery Cell Original Samsung SDI ICR18650-26F

Cell QTY 5 Pieces

Size and Weight

Height: 5.55 inches (141mm)

Width: 2.52 inches (64mm)

Depth: 0.83 inches (21mm)

Weight: 10.2 ounces (290 grams)

Color Available

Case Material Plastic ABS+PC

Finish Rubber Painting

Input 5V/1A Micro USB Female Port

Output 5V/1A 5V/2.1A Dual Standard USB Female Port

Charge Time Self charge takes about 15 hours, discharge time based on charged device.

Cable USB Connector Power Cable

Cable Length 11.8 in (0.3m)

Indicator Digital LCD Display: Power Level Percent, Input & Output Charge status

Package Blister & Color Box

Master Carton (Customized)

Size and Weight

QTY

Features

- Automatically discharge when power bank is connected with a phone.
- Display screen automatically turns off when no charge in 15 seconds. Smart energy saving design, eco-friendly.
- Automatically charge when power bank is connected with a power supply.
- Smart IC power control, protect power bank from short circuit, over-discharge, overcharge, over temperature, overvoltage and over current.
- Multi dynamical colors fit for different decorations.

- Large and clear LCD display with curved glossy window, indicate exact power level and charge status.

- Compatible with most consumer electronic devices.
- Rubber painting smooth finish touches softly and avoids scratch and fingerprint.
- More than 500 times charge cycle, no need to replace in a long time.

- High transfer efficiency, up to 11000 mAh actual output, back up big power demand.
- Dual USB charger, support two devices at the same time.
- Bright LED torch function, a helpful fellow at night.
